The 60th Georgia Mullis family reunion is being held in Lake Park Georgia at the 4-H Camp. It is being held June 26th through June 29th, 2008.

A map to the reunion can be found by clicking on the link below.

This branch of Mullises descend from the Anson and Union county Mullises in North Carolina - primarily from Blackstone Mullis who later moved to Georgia from Union County NC.

This reunion is well organized and has had 60 years of experience in throwing such a family shindig. My family will be at this reunion and we hope to see you there.
