
Louisa Elizabeth Mullis

Posted by tchrjoyce - 2008/02/03 14:32

Louisa Elizabeth Mullis (born abt. 1828 and died before 1885) was my 2nd great grandmother. My information is that she was the daughter of William Mullis, (son of James Marshall Mullis and Mary Blackstone) and Nancy Quinn, (Nancy's parents are unknown to me)

I have Louisa first married to William Moses Helms who was a casualty of the Civil War and died at Fort Caswell, NC. They were the parents of 5 children, Nancy Ellen Helms married to David S. Sells, Mary Jane Helms, married to Henry J. Harrington, Sarah Ann Helms, Joseph Hampton Helms, married to Eunice L. Honeycutt, and William Russell Helms, married to Mary W. Myers.

Louisa's second married was to John Jackson Medlin and they were the parents of 3 children. Their first child, Liddia Frances Medlin, my great grandmother, was married to Cader Bennett Baucom.

Louisa's second and third children from this marriage were: Saphronia M. (Frony) Medlin, and Columbus Washington Medlin, who was married to Nancy Griffin.

Any information on these Mullis line of my family would be so very appreciated.

Thank you,
Joyce Honeycutt Holman

Hi Joyce,

I hope to have this information up in the next couple of weeks on Louisa and her descendents. I'm in the middle of entering the information into my computer database and will upload it to the site.

Check back as I will update this post and put a link here to take you directly to the database listing concerning Louisa and family.

Have you spoken with Anne Medlin Price? I believe she is researching the Medlin line that is intermingled with the Mullises.

She lists:

"Medlin, John Jackson 1832-Mar 4, 1909
S/o William & Phoebe Helms Medlin
Co 48 Regt N.C. Inf CSA
His Civil War Monument had a DOD of 1915-
Article in the Monroe paper dated Mar 23, 1909
states that he died in Garland County, Arkansas on
March 4, 1909. On my last visit to this cemetery his
his C S A marker was no longer there."

you will find her email in the text.

Tell her Joe Cox sent you and that I'm still waiting to catch her in one of the cemeteries ;)

You also might want to chat with Kent Pusser as he is also tied to this family.

Thanks for posting your query and let us know if you get anymore info that you can share with us. I will gladly add you to the database on this site.
